

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

SB 1819 - HB 2443

February 27, 2016

SUMMARY OF BILL: Requires temporary injunctions to go into effect against both parties upon filing of a petition related to child custody, other than a complaint for divorce or legal separation.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- The Department of Children's Services is not a party to private custodial proceedings between parents; therefore, there would be no fiscal impact on the Department.
- Based on information provided by the Administrative Office of the Courts, the proposed legislation will not increase caseloads of the state trial and appellate courts; therefore, any fiscal impact would be not significant.
- Any additional injunctions issued in child custody matters can be adjudicated within existing judicial resources without an increased appropriation or reduced reversion.
